## INSIDE A BARELY LEGAL GIRL

**Hey! It's me, Lindsey.** You guys, I've got post-holiday letdown. :( When this happens, only one thing can melt my blues away—or should I say, *ten* things. Ten sweet, sexy *pink* things!

I brighten as soon as I see Holly's beaming smile and Marley's adorable dimples. I perk right up at the sight of sultry pin-up Natasha and *Slumber Party* pixie Katie.

Nikki's gorgeous red locks, Cadence's cute furry coochie, and Hannah's lovely landing strip remind me how *silly* it is to be depressed. How can I be bummed when I behold Tellula's tasty toot-hole? How can I be all woe-is-me when the world has given us Sophia's succulent pussy?

And of course our BARELY LEGAL Classic *always*.. Wait a minute. That's me! *Blush*.

Okay, so, only *nine* girls turn me on this month. I hope all ten girls do the trick for you. :)

*xxx Lindsey*

# NIKKI

## how to (un)dress

**H**ey, it's Lindsey. Former Teen Queen of the Month (December 2013) and current sophomore fashion major Nikki is back with some style tips!

**Nikki, that dress is so cute! Did you design it?**

No, but it's my ideal style—sexy but not hoochie.

**Getting naked is kind of hoochie behavior.**

LOL! It's fun to get naked once in a while—but I actually think clothes can make our bodies more erotic. The more you cover, the more that gets revealed later.

**It's like uncovering a mystery!**  
Exactly! Is she wearing cute little white panties? Or is she wearing a black-lace thong?

**Do you have any fancy underwear?**

Yeah, but it's wasted on these college boys. They just tear everything off.

**Getting your clothes torn off can be fun.**

Of course! I love it fast and rough sometimes—like, with anal, don't be gentle. Just go for it! But sometimes I wish they would take it slow.

**Has that ever happened?**

Yes, once, with an older guy. He had me strip down to my bra and panties while he watched, fully clothed. He didn't even take his penis out—just kept looking at me like I was the most beautiful girl alive.

**Sigh!**

I know. Then he laid me down and took my panties off with his teeth! He was barely inside me and I was coming.

**Maybe you should find a permanent older boyfriend.**

That's my goal. When I do, we're going to have fun. Wait until he sees my underwear collection! ★

## SLUTTYMAG 2014 PANTY CONTEST WINNERS!

KR and SB you both have a fine appreciation for  
pheromones. Eva and Britt's undies are on their way!

### Dear BARELY LEGAL,

I have taken the liberty of writing a short poem for my favorite  
grrll

With long, luxurious, dark brown hair!  
And eyes that sparkle like hazelnut diamonds!  
Glistening in the air!  
With a smile oh so sublime!  
That obliterates my heart into a thousand chimes!  
With skin as smooth as white chocolate & breasts  
perfectly formed  
Like soft, voluptuous candy kisses!  
She is indeed a vision so rare!  
Eclipsed only by that Michelangelo-sculpted derriere!

To whom am I referring? None other than the illustrious  
Lady Eva! Words cannot begin to describe how beautiful she  
is! I sincerely hope I did her justice!

If wishes could come true, in another life I would wish to  
come back as Eva's panties! Not just any panties, her favorite  
panties! The ones she wears the most! For that would ensure  
that I would be with her pussy at all times!

Since in reality I cannot live vicariously through her panties,  
the next best thing would be to own a pair! It would be more  
than just a memento, a mere keepsake! It would be like hav-  
ing an extension of Eva. Every time I touched the fabric and  
smelled her sweet pheromones, I would lose conscious-  
ness... lost in eternal bliss!

As to what I would do with them? I would cherish them for  
all the days of my life! They would mean more to me than any-  
thing in the world!

KR,  
Ohio

### Dear BARELY LEGAL,

Since the dawn of my life, I have always had a hard-on. Seeing  
Britt hold up her sexy little striped panties sent me over the  
edge.

I have never won the lottery or more than \$40 at the casino. But if I won Britt's panties, it would be better than winning the lottery. I would sniff the moisture right out of them while I lovingly caressed myself. We would travel around as if they were my pet. I would sneak into the restroom just to take a sniff to quench my thirst for her sweet pussy. Her panties would be like my wallet—always with me. And just like my debit card, I wouldn't be able to leave the house without them.

Just the sheer thought of her damp lips condensing the cotton of her panties, marinating her sweet pheromone injection deep inside. Tell Britt I love her tiny little tittles—they look so supple and delicious. She has a rockin' body to be proud of.

Look forward to future issues!

Dear Chrissy Nova,

BARELY LEGAL December 2013, page 70 BARELY LEGAL September 2014, page 70. Yes, Chrissy, I am going to miss you a lot. In fact I think I already do! Not only do you have a beautiful face and body, you also have a, well, such a warm- and kind-looking face!

If this were a movie, I would say when I first saw you, "I'm going to marry that girl," and in the next scene we would be getting married! Alas, this isn't a movie, and I will probably never see your face again except for these pictures and any movies I can find with you. Hopefully I will see your face on the cover of a CD soon and in *Rolling Stone*!

Did you know you were on page 70 in both issues of BARELY LEGAL? I hope 70 is a good-luck number for you!

Best wishes,

R.S.C.

Arizona

PS. What kind of music do you sing besides "loud"?

R.S.C., It definitely is a lucky number 'cause I just came 70 times reading your nice letter! Thank you! To answer your question, I like to sing songs by Lorde and Colbie Caillat—girls who have something to say. Like me! :)

—Chrissy

Hi Lindsey,

So glad you moved the "Inside a BARELY LEGAL Girl" photo and column to the front of the magazine. I love the latest photo of you standing with your panties pulled down (September 2014). I love to see the major lips closed and concealing the beautiful minor lips. I also love the mound, which is why I love the beautiful pussy clean-shaved.

In the same issue I love the shoot of Ashlyn Molloy. She looks so natural. Ashlyn, you gave me a rock-hard boner, and I had to jack it till I squirted just for you! The sit-down photo with your pants down around your boots and the standing shot of you leaning against the house with a sort of shy smile on your face had me all excited. I'm sure you had thousands of us readers hard and touching ourselves. Please come back again, gorgeous. I love you.

Hi again, Lindsey. As to the questions I'd like asked in the model interviews, I'd like to know at what age and under what circumstances she, the model, first discovered her clit and the pleasure it could bring her. Also at what age and the circumstances of her first intercourse. While I'm writing you, I'd like to ask if it could be possible to have an issue of all of your shoots in one magazine. Ask your readers if they would like an all-Lindsey issue. I bet the results would be in favor of doing so. If there aren't enough photos for the whole mag, how about including the intern shoots? I love all of you!!!

I love BARELY LEGAL. I wish it came out twice a month. Till I'm inspired to write again, you take care. Keep up the good work.

C.K.

California

Awesome questions, C.K.! We tried them out a couple of times this issue. Let me know what you think!

As for your magazine idea with my three layouts, Stacy the intern's two, and Abby the intern's FOUR (sheesh, Abby!), we have exactly the right amount to fill an issue of The Best of BARELY LEGAL! Unfortunately, if we did that, we would be breaking one of our main rules: to always give the readers tons of variety. (

But, C.K., thank you for even wanting an all-Lindsey issue. You make me feel gorgeous!

—Lindsey

# CADENCE LUX

## spanks for having me!

**H**ey, guys! It's Stacy the Intern. Fetish model and actress Cadence took a break from spanking and getting spanked to show us her "normal" side.

**Hey, Cadence! What's your favorite thing to do for fun?**

I'm a music junkie. I love EDM.

**What's your favorite band?**

Adventure Club. I wanted to show them my boobs at Moonrise Festival, but I couldn't get close enough to the stage. :(

**Do you have any other hobbies?**

I love TV. I just binge-watched *Sons of Anarchy* while eating an entire loaf of zucchini bread.

**Fun!**

I also like to read. My favorite books are *Gone Girl*, *The Fault in Our Stars*, and, of course, *Fifty Shades of Grey*. I'm currently accepting applications for my own personal Christian Grey. LOL!

**Do you have any pet peeves?**

I hate getting my nails done. :(

**I have a question from a reader: How did you discover your clk?**

Omigod! Well, I knew I had one, so I just kept feeling around until I found it. And I've never lost it! LOL!

**What attracts you to a guy?**

Tattoos, mainly. Beards are hot, too.

**How can a guy turn you on?**

Snuggle me—with his penis.

**Where do you like a guy to come?**

Butt, boobs, face, mouth—everywhere!

**How can a guy get with you?**

Be romantic but creative. One time someone brought me a single rose and a Naked Juice. It was so sweet. Better than a whole bouquet of roses.

**What are your plans for the future?**

I would love to be in a mainstream movie someday. Until then, I'm a happy spanker. :) ★

# LINDSEY

## happy ending

**H**ere it is! chirps Lindsey. "My farewell BARELY LEGAL pictorial! Not to brag but even though I'm 19 now, I think I actually look cuter than in my last layout. Anyway, I promised you a totally revealing story for my final pictorial, so I better start before I chicken out."

"First of all, to be honest, I never really found the idea of butt sex appealing because do I even have to mention poo? I mean, how could something so gross even be for real? Then late one night, I was sitting at my desk editing one of the personal stories in BARELY LEGAL, and it was about the 4,000th time some girl was saying, 'Well, I always thought butt sex would be totally disgusting, but then I did it, and it's so awesome.' I really started to wonder if certain girls were just making stuff up to be cool. I got on my knees and slid my hand down the back of my panties. It was weird, but as soon as I touched the bare skin of my bottom, I tingled all over."

"So I got a little braver and touched my poophole. It didn't feel wet, like my coochie, and it also didn't seem very stretchy. I wigged my finger in, and the hole hardly gave way at all. I was like, *Everyone is totally fibbing*. But I tried to squeeze my finger in deeper, just in case."

"You're going to hurt yourself that way."

"I almost fell off my chair! The gorgeous night janitor was standing in the doorway watching me. I yanked my finger out of my heinie—like he hadn't already seen everything! He came closer."

"You have to get it ready, baby."

"Then he spread my cheeks and he actually *licked* my heinie hole! But I couldn't even stop and think about how icky that was, because my head was spinning. The next thing I knew, my poopier was pecked full of the cutie janitor's penis, and he was jamming it in and out. My legs went all wobbly, and my clitty throbbled out of control. I barely touched it, and my entire bottom half *exploded*. It was like, how could the most insanely dirty thing make me feel so heavenly?"

"So it turns out anal sex is real, and it is awesome. If it wasn't for BARELY LEGAL, I probably would have gone my entire life not knowing! Thank you, BARELY LEGAL, and good-bye. I'll think of you all the next time I do it in the butt! \*"

## EARN UP TO \$2,500!

### ATTENTION, ALL 18-AND-OVER CUTIE PIES!

Reunite the slumber market that *Slumber Party* helped create. Send us photos of you in your slumber party gear, and we'll send you a \$2,500 cash prize. The prize is yours to keep. No need to worry about your privacy. We'll keep your photos safe and sound. And we'll send you a copy of a *Slumber Party* magazine.

Eighteen-year-old **Katie** from Anaheim, California, once had a very embarrassing moment: "My shirt flew up in school and everyone saw my boobies. It was after gym, so I didn't have a bra on." How mouthwatering mortifying! This 5-2 former cheerleader/current movie theater cashier isn't *totally* shy about her titties—she loves when guys "pinch them, suck on them, bite them, or all of the above." Sexwise, Katie prefers to be on the bottom, is "kinda" bi-curious (hey, that's better than nothing!), and the best way for her to have an orgasm is by making out with a guy. "When he rubs up against me, I just come in my panties." Currently and surprisingly single, Katie says she would make the perfect girlfriend "because I don't talk that much, and I'm someone who likes to cuddle." She also has a fun fantasy: "having some naughty pics taken." Naughtier than *these*? Where's our camera?

**Hey there!** It's Abby the intern. Glamour model Natasha might look fancy, but her needs are simple: sex, sex, and more sex!

**Hey, Natasha! Why do you like posing nude?**

It's fun being free with your body!

**What do you think is your best feature?**

My lips. I just love them.

**Do you ever get naked in public?**

Recently I've been enjoying the thrill of it.

**How often do you masturbate?**

Four times a week.

**What's your favorite method?**

Fingers or vibrator. And one time I used two cucumbers.

**NATASHA

**fancy

**Two?**

One for each hole!

**Do you like oral sex?**

I love it. It's fun pleasing a guy and getting nothing in return...sometimes.

**Are you a spitter or a swallower?**

Swallower

**How do you like to be fucked?**

Pounded! Don't be afraid to throw me around!

**Do you like anal sex?**

I haven't had anal yet!

**Where do you like a guy to come?**

My boobs or ass!

**What kind of men do you like?**

Older men and anyone who knows the motion of the ocean.

**What's the best way for a guy to pick you up?**

Be sweet but not cheesy

**How would you describe your dream date?**

Just hanging out anywhere. I honestly don't need much.

**Are you bi?**

Yes. All women are beautiful to me—but I love a girl with a fat ass.

**What was your best time with a girl?**

My first threesome was amazing

**What is the wildest thing you've ever done?**

Sometimes I get a little kinky and like to have my feet licked and tickled

**What's the absolute best sex you've ever had?**

My sex is usually amazing, so I'm not sure

**What are your future goals?**

To find love and happiness!

# my first time on the job

a **BARELY LEGAL** confession  
by hannah mincey

**Hey, it's Lindsey.** *Who's in the mood for something deliciously naughty? Hannah's an aspiring chef who knows how to spice things up*

Foodies like me are so full of passion for the sweeter things in life. And certain foods can really lift your spirits (like chocolate), trigger fond memories (like Mom's spaghetti), or even make you horny (green M&M's!). For me, food and sex totally go together. They're both so sensual.

I guess it's true what they say—the way to a man's heart is through his stomach. I mean, as far as making a guy moan with

pleasure, my lasagna beats my blowjob skills hands down! But, have you ever noticed how *sexy* cooking is? Whenever I lick cupcake batter off my finger, not only is it delicious, but it makes me feel like a porn star!

But I'll tell you what's *not* sexy—working your butt off in a busy kitchen. I got a job at one of my favorite restaurants thinking, This will be amazeballs! But it is *not* as glamorous as it looks on the Food Network. It's crazy hectic and the hours are long and hard.

The only perk—besides the delicious food—is getting to work up a sweat with my sexy boss, Chris. He's, like, 50 and

married, but picture Gordon Ramsay without the British accent and all the yelling. Chris is super knowledgeable about cuisine—he studied in France!—and really nice about teaching me things.

One night, at the end of my shift, it was just me and him in the kitchen. I was washing up at the sink when he came up behind me. Without saying a word, he pulled my hair back and kissed me on the neck. I was like, *Wheaa?*

He rubbed a strawberry across my lips and kissed me so hard I could taste the strawberry in my mouth. Then he put his hands around my waist and slowly moved them up to unbutton my shirt and caress my boobs.

warm tongue on my clit, and I melted like butter. That's when he reached for the whipped cream.

Now, I've tried licking whipped cream off my nipples before—who hasn't? But I never thought to spray some down there. *Fwoosh!* The spray totally tickled my clit. Chris was so bad! He ate my hoo-ha like a slice of cherry pie.

I could tell his raging boner was about to bust through his pants. He finally whipped his dick out and told me to get down on my knees, open my mouth, and close my eyes. I was totally ready to suck his dick, right? *Fwoosh!* He filled my mouth with whipped cream instead. Next, I felt this warm, sticky stuff being drizzled all over my boobs and my tummy, and my senses were

I was pretty sure we weren't supposed to be doing this, but I didn't mind. I was in heaven. The next thing I knew, Chris's hand was moving down south and under my skirt. I just went with it. As he was rubbing my pussy through my panties, I could feel his boner pressed against my butt, and it totally turned me on.

I was all, Is this really happening? And what if someone comes in and catches us? But that made it even hotter. It was totally against the rules—but I guess the boss can make his own rules.

Chris yanked my undies down, scooped me up with his big, strong arms, and plopped my bare ass down on the freezing cold counter. My nips went instantly hard. Then I felt his soft,

flooded with the aroma of chocolate syrup.

Who's gonna clean all that up? I wondered. Oh, Chris is—with his tongue! Oh, My God! Chris is famous for his refined taste buds, and now I know why: His tongue has super powers!

By now, I was starting to get a little hungry myself. I begged Chris for his cock. Instead, he gave me a maraschino cherry and told me to tie a knot in the stem with my tongue.

I laughed. "Nobody can do that!"

But that's what's awesome about hooking up with older guys—not only do they know what they want, they know how to get it! Chris walked me through the steps like a human Wiki-How, and I totally did it! I was so proud of myself! They say that if you can tie a cherry stem with your tongue, that means -->

you're a good kisser

So, achievement unlocked! Bring on the schlong, right? Wrong! Chris gave me a banana and made me show him my blowjob technique first.

I squeezed the banana and opened wide, taking it almost all the way down my throat. I slid it in and out super fast, and then ever-so-gently licked the tip with my tongue. It was weird. On the one hand, I was totally self-conscious about him watching me and giving me pointers. On the other, I had my eyes

surging through my body. I had never been fucked like that before. My pussy was on fire. I could feel it in my toes! It was weirdly awesome.

Chris pulled out and just jizzed like a fire hose all over my ass and back. Some of it even got in my hair! I definitely needed a shower when I got home. Luckily, my parents didn't see me come through the door with, like, chocolate syrup and semen and whipped cream and sweat and maraschino cherry sauce all over me—and a big, huge smile on my face.

closed and I was completely focused on sucking that banana like it was a real cock. I was totally in the blowjob zone.

Finally Chris seemed satisfied. He ordered me to get on all fours and pushed my head down a bit, so that my ass was sticking straight up in the air. Then he grabbed my hips and entered me from behind.

I just knew that wasn't any banana inside me! I could feel Chris's dick swelling up, and I literally exploded with excitement. I was screaming so loud that the neighbors must have heard me, but I didn't care. I kept my eyes closed and just focused on the rush of, like, adrenaline and endorphins and stuff

I had never felt like that after sex before. Maybe because it was with my boss. Or maybe it was having food eaten off me—so kinky! Or maybe it was because it was totally spontaneous.

OR—maybe it was from doing it somewhere where you know you shouldn't. Which got me thinking. Maybe it wouldn't be so bad to have sex in the one place I know is just dirty and wrong. FYI, I'm not talking about the bathroom, guys—I'm talking about my butt!

If I am going to try anal sex, I'll need it to be with an older guy like Chris, so he can show me how. I'm not quite ready yet, but maybe next time. ★

**HOLLY**

**open wide**

**H**ey it's Lindsey. Our sweetest, happiest Teen Queen of the Month ever is back!

**Hey, Holly! The last time you were here (April 2013), you were still in high school. What are you doing now?**

I'm in college, studying dental hygiene! After I graduate in June, I'm going to get my license, and then I'll be a dental hygienist! Finally my dream is coming true!

**I have to ask: Why do you want to be a dental hygienist? I mean, you have to put your fingers in people's mouths.**

I've always wanted to work in health care and help people, and healthy teeth are so important! No one should ever be embarrassed to smile!

**What puts a smile on your face—besides everything?**

LOL! Being naked! I wish I could be in BL every month! Ask the readers if that's okay with them!

**That reminds me, I have a question from a reader: How did you lose your virginity?**

I lost it in a car! It wasn't planned or very romantic, but it felt so good, I didn't care! :)

**Did you come your first time?**

Well, no. But it wasn't his fault. I didn't know about my clitoris yet.

**How did you find out about it?**

I looked it up online and practiced coming on my own. I didn't want the next guy to feel bad if I didn't have an orgasm!

**Did practicing work?**

Yes, I rubbed my clitty while he did me from behind. BAM! It's so easy to come if you know how. I even come in my butt!

**That's tricky for some girls.**

Not for me! You just have to go as deep as possible and hit that secret spot, over and over. Omgod, it feels so good.

**I have a feeling you're making a bunch of readers smile right now.**

I sure hope so! It's my main goal in life! ★

No, it's still pretty darty.

I like to receive oral and give anal.

To girls. I'm also well experienced in a good of pussy-licking.

Sure! In the cinema, nightclubs, taxis. If I wanna fuck, I'm gonna fuck.
